

Won't You Help?

SATISFACTION UNLIMITED Nurse's Aides and other Red Cross volunteers gain immense satisfaction from their duties in 16 Greater Boston military, veteran and civilian hospitals. Day classes for new aides are starting soon and the need for more women is urgent. Edith Adams, Nurse's Aide, looks pleased as she does her work at one of the hospitals. Patient is an interested supervisor. For information on classes starting in May, call the Red Cross at KENmore 6-6226.

RED CROSS IN APPEAL FOR NURSES AIDS

Day-time volunteers in the Nurse's Aide Service of the Red Cross are especially needed. This is the cry of more than 16 local hospitals in Greater Boston.

Under guidance of graduate nurse, Nurse's Aides assist in supplementary nursing care in both federal and civilian hospitals, in clinics and blood centers. The hundred and one ways a Nurse's Aide relieves a nurse for more important duties cannot be imagined.

Because of the continual demand for Nurse's Aides, Miss Dorothy Bartol, chairman of this service of the Boston Metropolitan Chapter of Red Cross, has announced a new class for daytime volunteers beginning Monday, May 16th. This class meets Monday, Tuesdays and Thursday mornings from 9-1 for three weeks at Chapter Headquarters, 17 Gloucester st., and the last half of the course will meet Mondays, Wednesday, and Fridays for actual hospital ward practice.

Arlington women with the de-

sire to help alleviate human suffering, caring for the sick, the injured and the dying are urged to take this Nurse's Aide course.

"There are many women in Arlington who have a sincere and practical interest in nursing and who have perhaps before had no opportunity to take part in this profession," said Miss Bartol. "These women we appeal to now. With the background of this intensive Nurse's Aide course they will be able to shorten the time of hospitalization for many patients.

In serving as a Nurse's Aide a woman gains deep personal satisfaction in helping others to health and happiness and also, in the fact that the training she receives as a Red Cross Nurse's Aide can be used throughout her entire lifetime, Miss Bartol said.

Local residents interested in this important work should arrange for an appointment immediately with Miss Dorothy Bartol at Chapter House, 17 Gloucester street or by calling KENmore 6-6226.

Two committees were named by Town moderator, Ernest W. Davis last week, in accordance with the vote passed at the annual town meeting.

The first committee named is for the purpose of investigating the feasibility of utilizing for some beneficial purpose, the land south of Summer street, known as Fowles Pond, and the adjacent land owned by the town. The plan is to fill this swampy land with clean fill and to develop it as a business area probably. The members appointed to the committee include the following:

Herbert M. Dutcher, Planning Board; James M. Keane, town engineer; Everett J. Henderson, park commissioner; Edmund L. Frost, 74 Old Mystic st., Charles B. Perham, 65 Norfolk road; Arthur L. McAvoy, 6 Kimball road; William R. Bennett, 205 Washington st.; Frank H. Lansing, 33 Berkeley st.; and Roy Crosby, 10 Fairview ave.

Frost was designated as temporary chairman.

The second committee is the Hardy School building committee, which will supervise the construction of an addition to the Hardy School. The members include the following: Frank Doran, 44 Ave. John P. Morine, 12 Frost street; William E. Monroe, 71 Melrose st.; James R. Smith, 2 Newport st.; Charles P. Bridges, 47 Beverly road, the latter to act as chairman of the committee.

Town Moderator Ernest W. Davis announced the appointment of the following committee to consider the disposal of waste, on Tuesday, April 26th, as follows:

The opening practice session for candidates for the Arlington Post No. 39 season to open May 4.

Junior Legion Baseball Team will get under way at Spy Pond Field on Wednesday afternoon, May 4th. All who wish to enroll will get in touch with Coach Hank Doyle at this time. The enrollment is open to any boy who

hasn't reached his 17th birthday on January 1st, 1949.

Judging from the team Arlington Post put on the field last year and those boys who are still eligible this year and the material which should be available this year Arlington should go far towards the Championship.

Practice sessions will be held on each Wednesday afternoon.

LOCAL YOUTH HERO OF RESCUES AT SPY POND

A twenty year old boy scout plunged into the cold waters of Spy Pond on Sunday afternoon to effect the rescue of a thirty-year old Arlington mother, who was trapped under an overturned outboard motorboat near the Kelwyn Manor shore. The woman's seventeen year old son and the man who had been operating the overturned craft were also rescued.

The youthful hero is Robert Crosby, 20, of 20 Cornell Street, Arlington, a payroll cashier at a downtown Boston store. The woman he rescued is Mrs. Delia Covel, 39, 119 Mary Street, Arlington.

Rescued from the waters of Spy Pond between the island and the Kelwyn Manor shore, were her son, Albert L. Covel, Jr., 17, and Manford C. Hooper, 40, of 174 Lake street, Arlington, who was operating the boat in which the Covels were riding.

Daniel F. Halloran, owner of Ye Lantern Boat Livery on Pond Lane, Arlington, saw the Hooper

boat overturn. Several other persons at the livery also saw the accident. Halloran immediately put out in an outboard motorboat, accompanied by Crosby. Several other boats put out directly after them. Halloran's boat was the first to reach the scene. The waters were rough. The three victims of the mishap were thrashing about in the water in an endeavor to get a good grip on the overturned craft. In the course of the struggle, Mrs. Covel went under the tossing boat just as Crosby and Halloran reached the scene.

Crosby at once dove into the water. An excellent swimmer, he

went under the boat, bringing Mrs. Covel back to the surface. The Covel boy had in the meantime been hauled into the Halloran craft by Halloran. Hooper was taken into another craft.

Dr. Richard J. Moran, of Arlington, who had been summoned, treated the three victims for shock and immersion. They were removed to their homes.

The police rescue boat and ambulance, and the fire department's special service squad responded to an emergency call, but they were not needed.

Speaker Of House O'Neill Takes Issue With Rep. Hollis N. Gott

Refutes Statements Of Latter On Gov. Dever's Tax Program

Referring to the recent exclusive article in the Arlington Press, in which Representative Hollis N. Gott explained his views on the tax program of Governor Dever we give herewith the following communication received from the Speaker of the Massachusetts House of Representative, Thomas P. O'Neill, Jr., under date of April 25, 1949.

Rep. Hollis N. Gott

"Dear Mr. Tattan, Publisher:
In a recent edition of your newspaper you carried a statement of Representative Hollis M. Gott, criticizing Governor Dever's tax program.

I know that you will want to have your readers understand both sides of the picture, and for that reason I am submitting to you a statement refuting the arguments presented by Representative Gott.

I would appreciate it very much should you choose to give my statement the same consideration relative to space and position which you saw fit to extend Representative Gott.

Very truly yours,
(Signed)
Thomas P. O'Neill, Jr."

In a recent statement to the Press, Representative Hollis N. Gott of Arlington took issue with the tax program of Gov. Dever, which is intended to raise \$23,000,000 in needed additional state revenue. Rep. Gott said, "Little of Gov. Dever's recommendations will be or should be enacted".

It should be noted that Rep. Gott

is admittedly the official spokesman for the Republican party on tax matters. He was chairman of the Committee on Taxation during the last session and is now the ranking minority party member of that committee. It is reasonable, therefore, to assume that his attitude on this matter reflects the philosophy of the party he represents.

Now let us consider the statement of Rep. Gott, in which he cites his opposition to the Governor's tax program, which is as follows: 1. a minimum excise tax on public service corporations; 2. equalization of the tax on foreign and domestic insurance companies; limitation of the existing total exemption from taxation which savings banks now enjoy to 80 percent of deposits; 4. removal of the six per cent limitation on the taxation of commercial banks; 5. an excise tax on dealers in motor vehicles; 6. increase in liquor taxes; 7. increase in taxes of amounts wagered at horse and dog racing meetings.

Rep. Gott, although he had hinted in his statement that it is "barely possible" that he favors an increase on horse and dog tracks, has just removed that possibility by voting as a member of the Taxation committee against an increase. In this instance he is following his usual custom, for he has been a consistent protector of the horse and dog racing interests.

He opposes increasing the taxes on liquor because of "strong statewide opposition, the sources of which he advisedly neglects to divulge. He is against the proposed tax on savings banks for no well-defined reason. And, as expected, he climaxes his remarks by showing a deep concern for the public utilities, which Gov. Dever feels can afford further taxation.

It is both easy and popular to oppose taxes. But it requires courage and intellectual honesty to propose them when they are needed. The question to be resolved, then, is whether there exists a need for more state revenue, and

ARLINGTON MAN TAKES MEDFORD GIRL AS BRIDE

One of the most delightful of the spring weddings was that solemnized on Easter Sunday afternoon, at the Sacred Heart church, Medford Hillside, when Miss Barbara Ann Malcolm, lovely daughter of Mr. and Mrs. Harold H. Malcolm, of 66 Orchard street, exchanged marriage vows with Mr. Walter Amoro, son of Mr. and Mrs. W. F. Amoro, of 83 Piggott road, Arlington. The wedding ceremony was performed by Rev. Francis J. Harkins, pastor of the Sacred Heart Church, before an altar decked with Easter lilies.

The bride was radiant in white bridal satin, with a train and long white cascading veil. A bouquet of white orchids and roses completed her costume. The maid of honor was Phyllis Malcolm, sister of the bride, who wore yellow chiffon with picture hat to match and carried white orchids and mixed spring flower bouquet.

Serving the bridegroom as best

man, was his brother, Mr. Willard Amoro, of Arlington, while the ushers included Paul Nolan, of Somerville and Richard Harrison, both longtime friends of the bridegroom.

Following the ceremony, a wedding reception was held at the home of the bride, at which more than two hundred guests extended their best wishes and congratulations to the happy couple. Mr. and Mrs. Amoro left shortly on a wedding trip to New York and Washington, D. C.

Upon their return they will make their home at 9 Mason street Medford.

The bride is a graduate of the Medford high school, class of 1945 and is associated with William Filene's Sons Company of Boston. The bridegroom, a navy veteran is also a graduate of the Medford high school, and is at present employed by the Theodore Schwamb Company, of Arlington.

LARGE LOCAL DELEGATION ATTENDS C. E. CONVENTION

By Roland Blodgett

Highlighting the closing session of the 60th annual convention of Middlesex County Christian Endeavor Union, recently held at the First Baptist church on Oakland Street, Medford, Rev. Victor Scalise, fiery pastor of the Calvary Baptist church of Lowell stated that "there is a fascination in war... the fascination of death but in Christ there is the fascination of life."

Mr. Scalise, using the convention theme "Christ Is The Answer", reminded his audience that "material possessions are not the greatest thing in life."

At the morning session, State Senator Philip G. Bowker called for an educational program in our high schools, and colleges to "better prepare our young people for governmental service" saying that "the only qualification that one unemployment commissioner had... was that he sang at political rallies during the campaign for governor."

Rev. Willis Miller, pastor of the First Christian church in Lynn, and his famous ventriloquist dummy "Victor", were the high spot in mirth for the more than 500 registered delegates in the early evening session at 4.30.

The new officers, elected in the afternoon business session, were installed as part of the evening meeting by the Rev. D. Ralph Nichols pastor of the Community Baptist church of North Medford. They were: Dorothy E. Murphy, president; Theodore W. Wells, Roland Johnson, James Schwarm and Paul E. Garland, vice presidents; Mary Alice Lounsbury, corresponding secretary; Marilyn Williams, recording secretary; O. Lloyd Chisholm, treasurer; Philip Clemence auditor and Rev. Arthur H. Melanson, pastoral counsellor.

Kenneth A. MacRae, retiring president, presented the gavel to Miss Murphy in a brief but impressive ceremony in the evening meeting and Miss Murphy in turn presented Mr. MacRae with a Christian Endeavor pin in recognition of his services during the past year.

Conferences in the afternoon at three o'clock included: Adult — Rev. Holger Schluntz, leaders, Leroy S. Tucker, chairman; Better Meetings — Professor A. Edwin Wells, leader, Philip Clemence, chairman; Citizenship—Rev. Miller C. Lovett, leader, Paul E. Garland, chairman; Inter-marriage, Yes or No? — Rev. H. Norman

Korb leader, Norman Whitcomb, chairman; Junior High — Mrs. A. Edwin Wells and Rev. H. Glenn Payne, leaders, Verta Spinney, chairman; Music, Mrs. Arthur Bowler, leader, Marilyn Williams, chairman; Pastor — Rev. Arthur H. Melanson leader Theodore W. Wells, chairman; Recreation, Edward M. Simpson, leader, Roland Johnson, chairman and Young Adult—Rev. Gordon Kirk, leader, Elizabeth Somerville, chairman.

During the morning session, over which Donald B. Smith, presided greetings from the church were brought by Mrs. Alexander Henderson in the absence of her husband, Bernice E. Wykes for Sagamore the entertaining union and from the junior convention held last Saturday by Muriel Steeves.

Allen Clough was the presiding officer during the early afternoon business session and Paul C. Garland officiated at the 4.30 session Kenneth A. MacRae held the gavel during the closing meeting.

Rev. Arthur Bowler was the convention song leader and Theodore W. Wells the convention organist. Patricia Berry and Lorraine Williams were the soloists with the Middlesex County choir. A trumpet quartet, consisting of Barbara Parsons, Henry Doughty, Doris Nichols and Theodore Durkin played during the convention.

The following past presidents answered the roll call during the evening session: A Edwin Wells, Edward M. Simpson, Roland P. Blodgett, William C. Noel, Stanley A. Goodwin and Robert J. Somerville.

WELCOME TO

HOWARD JOHNSON

In extending a cordial welcome to the famous restaurateur, Howard Johnson, who is opening another of his popular restaurants in Arlington Centre shortly, following a wide expansion program, eventually to extend his well-known restaurants from coast to coast, the public is deeply cognizant of the fine qualities which the Howard Johnson chain has exemplified toward making this country a great industrial nation.

His type of leadership recognize only one direction, and that is forward. It has been displayed by all leaders in all lines in the past, whether in business, military operation or government. It is the quality which can visualize the ultimate effect of a program extending into the future, beyond the immediate problems of the present day, with a clear vision of the final high objective to be attained.

While some business men of lesser, acumen may begin to shiver when business levels off, after attaining unprecedented peaks, this intrepid executive, instead of crying "Wolf, Wolf," makes calmly his definite plan for future growth and sets forth to attain it.

Business leaders of this calibre are much needed, not only in present day business, but through the years to come, to build American business up to its ultimate in growth and service to the public.

Bill To Make Dental Charts Available For Identification Purposes Filed By Rep. Keenan

State Representative Henry E. Keenan, with Representative Al-
len Jones, of Barnstable, filed a
bill at the State House on Wednes-
day of last week, to make dental
charts available to the state police
for the purpose of identification
such as the fingerprinting methods
now in use.
The plan had been under serious
consideration for some time, and
had met with favorable response
from the State Public safety
commissioner Stokes, as well as

dentists who were consulted pre-
vious to the filing of the bill.
If the bill is approved, the tak-
ing of dental charts, which would
be turned over to the state depart-
ment of public safety for its iden-
tification files, would be entirely
voluntary on the part of dentist
and patients. Dental charts
supplied by the department of
public safety, would be filled out
by dentists with the approval of
their patients, then returned to the state.

DADS' CLUB OF BOYS' CLUB NAMES OFFICERS FOR YEAR

At a recent meeting of a group of Fathers of members of the Arlington Boys' Club held at the home of Maurice Sandler, President of the Arlington Boys' Club the leaders of the Dad's Club of the Boys' Club were named.

The following well known Arlington residents were elected as officers: President William R. Bennett, Vice President Harold Anderson, Treasurer John P.

Cadogan, Secretary Albert Porteus, and Corresponding Secretary Wesley McSorley.

Selected to serve with the officers as an Executive Committee were: Horace Hill, John Babinne, William Carty, Jack Donaldson, Charles Pigott and Gerald Farr. Others will be named to the Executive Committee later.

A constitution and a set of by-laws are being drawn up, by Boys'

Club Board member Francis Keefe when completed they will be presented to the Dad's Club membership at a meeting to be called in the near future.

It was the unanimous agreement of the group that the time has arrived for the townsfolk to really get behind the work of the Boys' Club and give it more much needed support in its efforts to provide the character guidance for the boys and young men of Arlington.

Summer Street Widening To Get Under Way Immediately

Public Works Commissioner, William F. Callahan, has advised Representative Henry E. Keenan that the widening and reconstruction of the Summer Street Boulevard will be underway within thirty days. This is the result of the bill filed by Representative Keenan the first of this year in the legislature. The work will start at the corner of Brattle Street and carry through to Lowell Street Lexington. Sidewalks will be installed along the way. This stretch of highway has been in a poor and unsafe condition for a number of years. In his campaign for election Representative Keenan pledged that he would do something about it. By filing the bill and by following the legislation through, job and get things done for Arlington promises "to stay on the both federal and civilian hospitals ton."

This is the second major road construction project started since the first of the year, the other being the widening of Concord Turnpike from the Pleasant street underpass to beyond Park Ave.

Commissioner Callahan informed Representative Keenan that under Chapter 90, whereby Town, County and State contribute funds the resurfacing of Massachusetts Avenue from Academy street to Mount Vernon Street, and from Paul Revere Road to the Lexington line, will also be underway shortly.

There is also the possibility that the reconstruction and resurfacing

of Lake Street from the railroad crossing to the Concord Turnpike will be taken care of this year, along with other road improvements. If and when the \$100,000,000 bond issue is passed by the present session of the legislature other road construction projects in this area will be underway.

SPEAKER . . .

(Continued From Page One)

if the need exists what sources should be tapped to procure it. In his inaugural message Gov. Dever pointed out the need for improvement in our mental hospitals. He mentioned the urgency of providing an adequate wage scale for our state employees. He outlined the many other pressing problems with which our present state government is confronted and stressed the obligation of the Commonwealth to face those problems squarely.

He later proposed a tax program which would meet the inaugural recommendations in a way which would place the burden of necessary additional taxation on the shoulders of those who could best and most justly bear it.

Rep. Gott says he disagrees. He is opposed. Whether he is opposed to meeting the problems or whether he's against needed improvements he does not make clear. He simply says he is against the program. It is significant, however, that he has found no fault publicly with the Governor's inaugural recommendations, and that might infer that he favors them-but without additional taxes. A rather inconsistent attitude, if not downright absurd. Then again, he may be opposed to the improvements, because in his criticism of the Governor's tax plan he offers no alternative plan. It seems that if he favored the improvements he would have to offer a substitute tax plan to justify raising the funds to pay for them.

I think all fair-minded citizens will agree that if we want improvements we must pay for them. If we are to criticize the native program to meet the needs. Neither Rep. Gott, nor any other member of the Republican party, has yet offered any such alternative.

As Rep. Gott himself said in his statement, Gov. Dever, in his Jan. 6th address before the Legis-

HOLY GHOST HOSPITAL MAKES APPEAL FOR FUNDS

For the second time in its 55-year history of administering freely to the relief and comfort of incurable patients, Holy Ghost Hospital, Cambridge is now making a plea for funds to meet rising costs of operation. His Excellency Archbishop Cushing is Honorary Chairman of the drive for \$50,000. General Chairman Mayor Neville, of Cambridge is hopeful of liberal support.

Race, creed or color is no bar for admission to Holy Ghost Hospital. All are made welcome. Only incurable disease patients are admitted. With no outlook in life excepting to suffer their remaining days, adults and children are nurtured and comforted to their last hour of existence by angels of mercy who administer loving kindness without practically one per cent of expense. The Grey Nuns of Montreal cater to the afflicted patients with untiring effort and with complete understanding that theirs is a continuous service of mercy. More pitiful cases are the small tots who come into this world stricken with disease and affliction that challenge medical science and defy cure at every attempt.

If you are blessed with good health and seldom if ever, visit a hospital you are, indeed at a disadvantage to judge the cruel terror of incurable disease. Please let this appeal reach your heart. Your donation, however trivial will add materially to ease the suffering and hopelessness of poor, stricken souls who are totally unable to do anything at all.

lature, said, "They (the tax laws) should distribute the cost of government as evenly as possible in accordance with the taxpayers' ability to sustain the impact of the levy." The Governor has adhered to that philosophy in his tax program."

for themselves. Please, make your donation direct to the Mayor's Holy Ghost Hospital Fund, Daniel F. O'Brien, Chairman, 907 Massachusetts Avenue, Cambridge

Arlington Man Granted Patent On Invention

On April 12, 1949, the United States Patent Office granted patent number 2,466,986 on a "Valve For Inflatable Objects" to Gordon E. Gott, of Arlington.

This invention pertains to a valve-inflating nozzle for playballs, decoys swimming belts and similar articles that are commonly blown up by lung pressure.

As its principal object, it provides what may be termed a "tuck-under" valve that no protruding part which is dangerous in the case of swim bladders or which may catch on clothing and open. Furthermore, when applied to a ball, this valve does not extend beyond the surface and interfere with bouncing.

Mr. Gott's device is simple in its mode of construction, for basically it comprises a tube with a ring-like hollow flange at one of its ends, it being noted that this structure is open at each of its extremities. In actual production,

it involves only the use of a mold shaped like the hilt portion of a dagger with a circular guard there on, to which a suitable coating of rubber is applied, dried and vulcanized. Thereupon, the resulting product is stripped from the mold, and the closed end of the tube, as thus formed, is opened by a shearing operation.

To assemble this valve to a bladder by means of cement. Next, the bladder is inflated by blowing through the tube; and finally the latter lower and upper segments of the flange. As a result of this arrangement, the stress of inflation keeps the valve tightly closed.

According to Mr. Gott, his valves are low in cost, very dependable in use, surprisingly easy to manipulate, and successfully hold air in the bladder for long periods of time.

This patent has been assigned to Dewey and Almy Chemical Company, North Cambridge, Mass.

WORTH THINKING ABOUT

In the automobile business you sink or swim on the trade-ins. I've been swimming for more than twenty-two years.

Use a simple system. Good, clean merchandise comes in, send it through the shop, offer it for sale. Guarantee it and back it with earned reputation.

Car comes in not up to par, unload it to the wholesale trade. Result is that any used car at CROSSLEY'S is an honest value. Have some choice used cars on hand right now. Come see them.

. . . WATER POWER TURNS ELECTRIC GENERATORS

The streams that turned New England's grist mills in Colonial days are now busy turning electric generators.

And since New England's water power has been developed intensively for a couple of hundred years it is only to be expected that the best sources have long ago been put to work. That is one reason why our new electric plants are of necessity mostly steam operated. Another reason of vital importance is the year 'round reliability of steam-power generation.

New England's 178 electric utility plants depending on falling water for their motive power supply about one-quarter of our electricity. Our 73 steam plants are responsible for the other three-quarters.

P. O. DEPT. PREPARE FOR MOTHER'S DAY MAIL

In anticipation of the huge volume of mail for Mother's Day on Sunday, May 8th, the Post Office Department takes the occasion to point out to the public the extra features which are now to be found in the extended air mail and air parcel post service.

First, air mail and air parcel post has priority in handling, distribution and dispatch. Second, air mail and air parcel post has priority in plane loadings over other types of air cargo and are given first-class delivery at office of destination.

More than 25 air flights out of Boston are carrying air mails, both domestic and foreign.

It was pointed out that gifts for Mother's Day are admirably suited to transportation by air and that all postoffices are prepared to dispatch such mail for flight within a few hours after receipt. The value of the gift is lessened if it is not received on time and with the huge volume of surface parcels now being received it were better that these gifts for Mother be given all of the priorities and advantages which are offered by air mail, air parcel post and special delivery.

Air mails will save as much as three to four days over surface letters to our distant western states while the savings assured by Air Parcel Post range from eight to ten days.

Postmaster Francis A. Crowley stated that he is desirous that all other's Day cards and gifts be delivered on time and for this reason is urging a greater use of air facilities. Books of air mail stamps, containing 12 stamps each, are now available at all postoffices or the simple affixing of two three cent stamps on a card and endorsing Air mail will provide the same service. Only Special Delivery mail will be handled on Mother's Day so that, no matter how you send your cards or gifts, be sure to add a Special Delivery stamp if you want her to have it on Mother's Day.

Bridge Party

The bridge and whist parties sponsored by the VFW Post 1775 of Arlington, which are held each Friday evening, at the headquarters at the Old Town Hall, Arlington center, are proving very popular. Many fine prizes are awarded on each occasion to the lucky winners.

NAMED DIRECTOR

Eugene Lawler, Jr., was on Saturday last appointed director of the St. Agnes Catholic Youth Organization of Arlington, by the Rev. Matthew J. Flaherty. The Rev. Frank Chmaj, a curate of the church, was named spiritual director, Frank McIntyre, treasurer, and Mrs. Agnes Bray, secretary of the organization.
